

# Try different mixtures!

Do you have a Fondue Caquelon?

Grated Fondue Cheese

Ready-made Fondue Cheese

Add ingredients as you like

Electric, Gas

Induction

Put Fondue cheese into a cold pan or Caquelon

Rub Caquelon with garlic

Don't worry! You can use a normal pan to start with

Slowly heat up and continuously stir until hot and very smooth

Next time: Try our all in one Fondue Box!

Preheat Caquelon with very hot water

Separated?

Don't panic!

Fantastic...you made it!

Mix in a table spoon cornflour with cold water

Firm, not fluffly, preferably one day old.

Start immediately and stir. Regulate heat so that it does not bubble too much.

Place heat distribution disk here!

Rescued?

Solid lump of cheese?

All fine? Did you enjoy our Swiss Fondue?

Desaster struck!

Lost a piece of bread?

Men have to buy a round of...

Women have to...

...all her neighbours!
